Gaiters, bandanas and full-face shields are not acceptable as primary or only face covering. Face coverings should completely cover the nose and mouth. For more information on COVID-19 and recommended guidelines, please check the St. Louis County Department of Public Health website at https://stlcorona.com/dr-pages-messages/covid-19-safe-operating-protocols/masking-faq/ and the CDC website at https://www.cdc.gov/coronavirus/2019-nCoV/index.html.

- We have extended gate times (gates open at 6:00 pm) to help reduce lines. Please plan ahead and arrive early.
- Have your ticket ready to be scanned when you approach the gate. While waiting in line, please be kind, patient and thoughtful of others.
- Please take advantage of the whole amphitheater. It's huge, comfortable and beautiful! There is plenty of room to move and dance. We're bringing out 60,000 watts of Martin line-array PA and a top-notch lighting system, as well, to make sure that the show sounds and looks great from every part of the amphitheater.
- Bottled water and hand sanitizer will be available at several locations throughout the venue. Please sanitize your hands and grab a water if you need one.
- This is an all ages show. However, for their safety as well as the safety of other attendees, children should be supervised at all times.
- Please dispose of all trash in receptacles. Let's make sure the grounds are as beautiful when we leave as when we got here.
- Please read and observe all the guidelines and signage posted at the venue.
- This is a rain or shine event, so please come prepared. In case of inclement weather, please take cover in your vehicle.

Enjoy the show!
