

Jake's Leg and Silent But Deadly Productions-St. Louis welcomes you to the Built to Last Concert Series at the Jefferson Barracks Veteran's Memorial Amphitheater! We are excited to offer you a quality outdoor live music experience. Our priority is to protect your safety, health and well-being. As such, we have adopted preventive measures recommended by the St. Louis County Department of Public Health and the Centers for Disease Control and Prevention. We ask that you please adhere to the following guidelines when attending the show:

- ❖ All tickets must be purchased online through Ticketmaster. Walk-up ticket sales will be allowed but must be done online.
- ❖ If you have a fever and/or other COVID-19 symptoms or have had these in the past 14 days, or if you have been around someone who has tested positive for COVID-19 in the past 14 days, please do not come to the show. Tickets are refundable through Ticketmaster.
- ❖ Bring a cloth or paper face covering. You will not be allowed entry if you do not have one. Gaiters, bandanas and full-face shields are not acceptable as primary or only face covering. Face coverings must completely cover the nose and mouth. Children under 2 years old are not required to wear a face covering.
- ❖ Please bring small personal coolers only (no coolers w/ wheels) for your favorite beverages (cans and non-breakables please), along with snacks and food, chairs, blankets and personal use items for you and your small group. There will be no vending, food or beverage sales at the venue.
- ❖ We have extended gate times (gates open at 6:00 pm) to help reduce lines. Please plan ahead and arrive early. Please enter with your friends and keep your group together.
- ❖ Have your ticket ready to be scanned when you approach the gate and always maintain at least 6 feet social distancing while you're in line. Markers will be placed as a reminder for you. While waiting in line, please be kind, patient and thoughtful of others.
- ❖ All attendees must have their temperature taken with contact-free thermometers at entry. If you have a fever greater than 100.4 degrees Fahrenheit you will not be allowed entry.
- ❖ Please take advantage of the whole amphitheater. It's huge, comfortable and beautiful! Please spread out and maintain at least six feet social distancing from other attendees outside of your small group. There is plenty of room to move and dance. We're bringing out 60,000 watts of Martin line-array PA and a top-notch lighting system, as well, to make sure that the show sounds and looks great from every part of the amphitheater.
- ❖ Once you've found a place to watch the show, please stay with your group at your area. If you must leave your space, you must wear a face covering at all times whenever you are not able to maintain at least 6 foot social distancing.
- ❖ Please wash/sanitize your hands before and after using all restroom facilities. Always be kind, think of others and practice social distancing when waiting.
- ❖ Bottled water and hand sanitizer will be available at several water stations throughout the venue. Please sanitize your hands and grab a water if you need one.
- ❖ This is an all ages show. However, for their safety as well as the safety of other attendees, children should be supervised at all times.
- ❖ No Pets are allowed.
- ❖ Please dispose of all trash in receptacles. Let's make sure the grounds are as beautiful when we leave as when we got here.
- ❖ Please read and observe all the guidelines and signage posted at the venue.
- ❖ In case of inclement weather, please take cover in your vehicle and not in a public area to ensure social distancing.
- ❖ All attendees must adhere to these guidelines regardless of vaccination status.
- ❖ Disclaimer: All venue initiatives to prevent the spread of COVID-19 are strictly followed and enforced. Those on premises are subject to compliance with all venue safety procedures and protocols. Non-compliance will result in refused entry or ejection from venue without refund. Upon purchasing tickets for the event, you acknowledge and agree to adhere to all venue policies.
- ❖ For more information on COVID-19 and recommended guidelines, please check the CDC website at <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>.

*Enjoy the show!*
